**St. Louis Regional Clean Cities** is a non-profit, membership based coalition of federal, state and local agencies, public interest groups, and public and private fleets who have joined together in a coordinated effort to promote the purchase and use of clean, American Fuels (AF) and Alternative Fuel Vehicles (AFV). We are a 501(3)(c) corporation and, as a result, your Membership/Contribution is tax deductible. We count on a growing membership base to support the organization and its activities, you will be kept informed with a monthly Stakeholder Update, and through participation in Clean Cities sponsored events, meetings, and transportation deployment projects and initiatives.

## **Our Primary Goals:**

**Increase domestic energy security • Enhance economic development • Improve air quality**

### **Strategic Partner - \$300 Annually**

As a valued member of the Coalition, stakeholders receive our monthly Stakeholder Update electronically and are eligible to participate on the various project-specific St. Louis Clean Cities standing committees. Coalition stakeholders enter into the alternative fuel network of private sector companies and public sector entities that all have a stake in the region's improved air quality, national energy security, and local economic development. This membership allows you to participate some events and training at no cost

### **Gold Sponsor & Strategic Partner - \$1,000 Annually**

Entities interested in promoting the Coalition mission or a specific outreach event receive all of the benefits of Coalition stakeholders and are eligible for media & outreach support for petroleum conservation-related initiatives. Gold Sponsors & Strategic Partners may have a company logo (with link to your company website) displayed on our website stakeholder page and in our newsletter, and receive funding updates & limited grant application guidance and assistance.

### **Diamond Sponsor & Strategic Partner - \$2,500 Annually**

Entities interested in guiding the decisions that will impact Missouri and Illinois economic development and air quality receive all the benefits of coalition stakeholder and Gold Sponsors & Strategic Partners. Diamond Sponsors & Strategic Partners may have a company logo (with link to your company website) displayed on our website stakeholder page and in our newsletter, and receive a higher level of support with grant application development assistance. Diamond level sponsors also receive access to the vast network of technical support available to Clean Cities coalitions. This level of coalition sponsorship is ideal for local governments & fleets hoping to gain greater access to federal, state and local funding for alternative fuel and advanced technology fleet and infrastructure development.

### **Platinum Sponsor & Strategic Partner - \$5,000 Annually**

Platinum Sponsors & Strategic Partners are coalition members with a high stake in the success of our endeavors. Platinum Sponsors & Strategic Partners receive all of the above benefits as well as prominent logo exposure on our website homepage, at the top of our bi-monthly newsletter. Sponsors also receive free advertising or exhibit space at St. Louis Clean Cities outreach and educational events, and receive the highest level of technical and grant application development assistance.
